# Goodbye 2019

Hey Clay! I'm incredibly excited to start the 19-20 school year as your yearbook sponsor. We have a great team, a good game plan and fresh ideas that are going to enhance the way we remember our school year. Enjoy your summer and don't hurry back but we are excited to capture your memories when you return!

As this school year comes to an end, I am very thankful for what I have learned. The struggles and the heartache that high schoolers go through everyday is not worth it. As much as we focus on the bad, publications such as Yearbook and Newspaper have taught me that there are so many good things that happen everyday. I am incredibly proud to have worked up to this position, and I will not let you down. I hope you all have an amazing summer, because next year, Yearbook is not messing around!

The Junior Class and their sponsor, Mr. Harris, were in charge of creating this magical night. Since the beginning of the year, they planned the theme, lights, music, snacks, venue, and everything else that goes into making this night what it was. This years committee decided the theme was Mardi Gras!
